Sir

**WIMS 067923 : DEPARTMENT OF HEALTH : DUNDEE REGIONAL LAUNDRY : REFURBISHMENT OF TWO (2) BOILERS AND FIVE (5) YEAR MAINTENACE CONTRACT.**

For the above-mentioned project, the KZN Department of Public Works, with the Department of Health as the user client, appointed Isimo Engineers (Pty) Ltd as Principal Agent and Lead Engineers and Boiler and Industrial Plant (Pty) Ltd (BIP) as the main contractor in October 2019.

The work entailed the complete refurbishment of two (2) off 8 Ton John Thompson Package Coil Fired Boilers complete with all A.I.A. inspections and reports, also included was the refurbishment and replacement of steam piping, valves and insulation.

The final value of the contract is R 12,303,130.31 Including VAT

Boiler and Industrial Plant has been in business since 1974 and has 48 years working experience.

The work executed by Boiler and Industrial Plant (Pty) Ltd, and their team was done in a superb and timeous manner. All material was on site timeously and work was done of outstanding quality. All communication was professional and there was always someone available to be contacted.

The BIP has kept to the program for this work, no problems were experienced. Project management from BIP was exceptional.

The Refurbishment of the two (2) Boilers at Dundee Regional Laundry was completed on time and BIP are in the third (3<sup>rd</sup>) year of the schedule five (5) year maintenance contract that is following the required program.

This is one of many steam and boiler refurbishment contracts that we have completed with BIP and have no hesitation in recommending the services of this valued company.

Please do not hesitate to contact the writer if you require any further information.

Yours faithfully  
Isimo Engineers (Pty) Ltd
